20<sup>th</sup> May 2022

Dear Parents and Carers,

St Michael's Infant School and Junior School have been working together to plan an event to enable the children to celebrate the Queen's Platinum Jubilee together.

The two schools will be celebrating the Queen's Platinum Jubilee on Friday 27<sup>th</sup> May. We will be inviting the children to dress up in red, white and blue outfits. Each school will do activities separately in the morning and then at lunchtime the Year 2 children from the Infant School will join the Junior School children for a picnic lunch on the field. The Year R and Year 1 children will remain at the Infant School and have a special picnic celebration on the Infant school playground.

There will also be games on the field from the decades that the Queen has been on the throne. The Infant School children will play the games first with the help of some of the Junior School children, and then the Junior School classes will play them.

All classes have the opportunity to make Platinum Jubilee Flags. These are colourful flags that they will print on; they will then go on display around the field and the aim is to also use them on the Victoria Day Parade.

A Jubilee cold lunch is being offered to all pupils. This will be:

- A roll with tuna, ham or cheese;
- Cucumber, pepper and carrot sticks
- Sausage roll
- Apple
- Jubilee cupcake

At the end of the day, all children will receive a small gift to commemorate the Jubilee.

Yours sincerely
