

Suggested Kit List

What to bring

Your clothes are likely to suffer wear and tear and also get dirty and/or wet, therefore you should bring several changes of old clothes for doing activities. Jeans are **not** suitable for activities as they get heavy and cold when wet and don't dry out quickly. **Please ensure that all items are named.**

Please don't bring

Mobile phones, electronic devices, computer games, jewellery/valuables etc.

Waterproof trousers - not essential but they are a very useful addition if you have some or are able to borrow a pair. Likewise if your child has walking boots, these are a useful alternative to trainers. All of the above may get **very muddy** and **wet** – dark colours are best!

It is important that the clothing is of a suitable size for your child at the time of going away. **Trousers should not be hipster style and tops should be long enough to keep midriffs covered – not for modesty but warmth!**
