Inspired by Him, we serve the community of St Michael's by creating an inclusive learning culture where all differences are respected, where courage is shown to face and overcome adversity, and resilience is embedded in our journey to success so we can be the very best we can be.

21st June 2021

Dear Parents,

I am pleased to be able to attach the final report letter from HMI following the s.8 monitoring visit by Ofsted last month. I have been given permission by Ofsted to share it with you and they will be placing it on their website later this week. This was an extremely positive visit as I hope you will see from the report, and it was a real privilege for me personally to be able to share with HMI just how much the school, and my incredible staff, have done since the s.5 visit in June 2019. HMI, on speaking to us at the end of the day, stressed the relentless improvement journey we have been on as a school, and the awareness that this did not stop despite the restrictions of the pandemic.

Thank you all for your support – we could not do what we do without it.

Best wishes

Mrs S Tyler
