*Inspired by Him, we serve the community of St Michael's by creating an inclusive learning culture where all differences are respected, where courage is shown to face and overcome adversity, and resilience is embedded in our journey to success so we can be the very best we can be.*

Monday 4<sup>th</sup> July 2022

Dear Parent/Carer

As part of our Design Technology unit, we are planning to make pizza. The children will make a small pizza for one of their friends, taking into account any dietary requirements they have.

The **pizza dough** will contain: **white flour, dried yeast, olive oil, food dye (optional - to colour pizza dough if they wish)**

Children will be able to choose from the following **toppings**:

**Savoury: ham, pineapple, cheddar cheese, mushrooms, peppers, tomato puree, mozzarella cheese, sweetcorn, tomatoes**

**Sweet: marshmallows, chocolate chips (nut free), chocolate spread (nut free)**

Children with allergies/intolerances will be grouped together with others that have the same allergy/intolerance and will be making their pizzas at a separate time, to eliminate any cross contamination. If we are not already aware of any allergies/intolerances, please let us know on the form below.

Please be assured that all safety precautions we currently take in every lesson, during lunchtimes and playtimes, will be taken in this session.

We look forward to eating our creations in school.

Please complete the permission form below and return it to the class teacher no later than **Friday 8<sup>th</sup> July** in order for your child to participate. Without the completed form, your child will not be able to take part.
