Worship

This week, during worship, we have continued to think about The Lord's Prayer. We looked at it as a worldwide prayer and listened to The Lord's Prayer being read in different languages; we talked about how this brings the community of Christians, from around the world, together. We then reflected on being part of a school community, being united through the things that we all do together and by our core values of respect, resilience and courage. In Celebration Worship, we recognised children who have worked hard and have demonstrated our school values of respect, resilience and courage throughout the week.
