Worship

This week in collective worship we stayed with the Commonwealth theme and looked at the tiny island of Tuvalu. We learnt that with the support of the Commonwealth, Tuvalu has been able to boost its fishing businesses, invest in projects for young people, and provide safe, clean water for their people. We looked at how the bigger countries in the Commonwealth give smaller countries a 'helping hand'. We then related this to our school family and thought about how we can give those around us a helping hand and what this would look like.
