## Worship

Our thanks this week go to Vicar Alwyn who has organised a virtual Harvest Escape Room for us to do with the children on Friday 15th October. This will not only be a fun way of focussing on the importance of Harvest but also a time of reflection for us all. Harvest refers to the time during autumn when farmers traditionally brought in the crops that supplied their community through the year. Although our food today is more likely to come from the supermarket, Christians believe it is still important to remember God as creator and thank Him for the good things He provides.
